**SUMMARY REPORT ON ACTIVITIES**

**2020-21**

In the 2020-21 edition of WeR4Help, the initiative prioritized community welfare through impactful actions. The project included a visit to an orphanage, providing support and companionship to the underprivileged. Emphasizing the commitment to addressing economic challenges, there were repeated instances of "Distribution of Groceries," ensuring that essential food items reached those in need. The repetition underlines the consistent effort to alleviate food insecurity. The WeR4Help team's dedication to community service and their focus on both social and economic aspects contributed to the initiative's success in making a positive impact on the lives of individuals and families facing challenges in the specified academic year.
